

# **DECLARING A DOUBLE MAJOR**

---

TAWC students whose primary major is within the B.S. in Business program may be eligible to pursue a second major within Business. Students seeking this option must complete all major requirements for both majors. Students pursuing a Business Administration major are not eligible to earn a double major.

To request pursuit of a double major, students must request and receive approval in writing from their advisor and the Director of Business Programs at TAWC.
