Undergraduate Students Pursuing Graduate Certificates

Undergraduate students may be eligible to pursue a graduate certificate (<https://catalog.baypath.edu/graduate/academic-programs/certificates/>) in conjunction with their degree program. Students should consult with their advisor to determine eligibility.

Financial Aid Eligibility of Certificate Programs

Financial aid funds may be used to support TAWC undergraduate certificates that total at least 16 credit hours. Certificates qualifying now for financial aid include Cybersecurity; Food Science & Safety; Health & Wellness; Human Services & Rehabilitation; and Life Science.
