

FACULTY HANDBOOK

Message from the Interim Vice President of Academic Affairs

Dear Colleagues:

Welcome to this year's edition of the Faculty Handbook. As we embark on another academic year together, the Faculty Handbook serves as a comprehensive guide that outlines the policies, procedures, and expectations for faculty members at Bay Path. It plays a crucial role in fostering a collaborative and productive academic environment while upholding the values of excellence and integrity.

Over the past several months, we have diligently reviewed and revised various sections of the Handbook to ensure its relevance and alignment with the evolving needs of our academic community. As we continue to adapt to the challenges and opportunities in higher education, the Faculty Handbook will remain a dynamic document that reflects our institution's ethos.

I encourage all deans, faculty members and academic directors to familiarize themselves with the revised Faculty Handbook, which will be made available on the university's website starting August 1, 2023. Should you have any questions or require further clarification, please do not hesitate to reach out to the Office of Academic Affairs.

I extend my deepest gratitude to the faculty and staff who contributed their valuable insights and expertise throughout this process. Your dedication to our university's mission is genuinely appreciated. Thank you for your continued commitment to academic excellence and for being an integral part of our vibrant academic community.

Wishing you a successful and fulfilling academic year ahead.

Sincerely,

John V. Caron, EdD

Interim Vice President for Academic Affairs
