

# STATUTE OF LIMITATIONS

---

The statute of limitations governing graduate study at the master's level at Bay Path University is five years from date of initial enrollment in the graduate degree program. After five years the student may apply for readmission to the program, but all courses previously completed for the degree may not apply to the degree upon readmission. The Program Director will determine which courses will apply to the degree upon reacceptance into the degree program. Please note due to outside licensure requirements for some programs, requirements might change during this time period.
