

RESEARCH, SCHOLARLY ACTIVITIES AND CREATIVE WORKS

The Division of Research and Academic Resources encourages and supports undergraduate students in all majors and programs to undertake special research projects, scholarly activities, or creative works under the guidance of a faculty mentor. Students may submit proposals for individual grants to support their research. Grant money may be used to purchase items necessary to conduct the research including supplies, materials, journals and publications, approved travel, museum admission, conference attendance, et cetera. The typical maximum amount awarded per project is \$500. Grant recipients are required to present their findings at Bay Path University's Academic Achievement Day in the spring.
