

FUNDRAISING, RAFFLES, AND SOLICITATION

Fundraising, raffles and any form of solicitation by individuals, clubs or organizations are not permitted on campus without submitting a written application and receiving prior written permission from the club's advisor. All individuals wishing to fundraise, host a raffle, or solicit individuals for donations should complete a Program Proposal Form and submit it to studentlife@baypath.edu. The fundraising event must be for the purpose of advancing activities of a club and organization and not for the benefit of an individual.

Solicitation and distribution of materials by a student advancing personal activities or by an outside group is prohibited unless permitted by law. At no time should University resources be used in solicitation. This includes on campus facilities, photocopying equipment, internal mail system, electronic mail, the student bulletin board, telephones, etc. Exceptions to this policy can be made by Executive Staff only.
