

# GUEST POLICY

---

Guests of any Bay Path University/Cambridge College student are expected to adhere to the policies listed in the Student Guidebook. This includes policies related to smoking, vaping, alcohol, drugs, and parking. Student hosts are responsible for their guest's actions including parking fines incurred by guests. If a guest violates federal, state, or local law while on campus or using University property, the matter will be referred to the appropriate authorities.

Any guests, including a commuter student visiting a residential student outside of established 8am to 8pm hours, must be signed in and out with Campus Public Safety. See Guests in Residence Halls and On Campus (<https://catalog.baypath.edu/student-guidebook/residence-campus-life/res-life-policies/>) for more information, including how to request guests on campus.
