

TRANSFER CREDIT

All Bay Path students who transfer from a regionally-accredited institution or earn credits through Advanced Placement (AP), the American Council on Education (ACE), the College-Level Examination Program (CLEP), the International Baccalaureate Diploma Programme (IB) or formal coursework and occupations offered by all branches of the military via a service member's Joint Services Transcript (JST) may receive up to 90 credits toward a baccalaureate degree and 30 credits toward an associate degree. Consistent with NECHE standards, students must complete one fourth of their undergraduate credits, including substantial advanced work in their major, at Bay Path University.

The University reserves the right to deny coursework for transfer if considerable changes have occurred in the area of study since the course was originally taken.

New Students

The Registrar's Office will evaluate all courses completed from a regionally-accredited institution or through AP, CLEP, IB, or those listed on a service member's JST prior to matriculation to assess whether the minimum grade/score requirement was met and to determine the equivalency of the course within the scope of the Bay Path curriculum. Courses must be at the 100-level or greater and students must have earned a letter grade of 'C-' or above or have earned a 'P' (passing) grade from an institution that outlines on their transcript that a passing grade is equivalent to a letter grade of 'C-' or above to receive credit. Passing grades from an institution that does not outline on their transcript that a passing grade is equivalent to a grade of 'C-' or above do not qualify for receiving transfer credit. All transfer credit will reflect a TR grade and will not be calculated as part of the student's cumulative grade point average. Any incoming students will be admitted to the class status represented by the number of transfer credits applied to their record.

Students in Education and Pre-Occupational Therapy Studies majors must meet certain CGPA and prerequisite course grade requirements and may receive fewer credits than those of other programs due to special conditions for certification, accreditation, or licensure. Please reference these subsections in the Academic Programs section of this academic catalog for additional information.

Returning Students

Once students have matriculated at Bay Path, they may transfer no more than 12 additional credits with an exception for credits earned through CCGS cross registration, challenge exams, AP, CLEP, or IB. Bay Path students who wish to register for a course at another institution after matriculation must submit an approved Transfer Credit Pre-Approval Form or CCGS Form before registering for the course at the outside institution. If the minimum grade requirement is earned for the course taken at the other institution and it repeats a course taken and failed at Bay Path then the earlier F will be removed from the calculation of the cumulative grade point average.

- Courses must be at the 100-level or greater and students must earn a letter grade of 'C-' or above to receive credit for approved courses through CCGS cross registration, with an exception for 'D' grades as long as a minimum grade requirement is not required as a Core Curriculum or major requirement. Credit earned through CCGS cross registration will reflect the letter grade earned and will be calculated in the student's cumulative grade point average. Passing grades that

do not reflect a traditional letter grade do not qualify for receiving transfer credit.

- Courses must be at the 100-level or greater and students must earn a letter grade of 'C-' or above to receive credit for approved courses taken at a regionally-accredited institution that are not a part of CCGS cross registration. These credits will reflect a TR grade and will not be calculated as part of the student's cumulative grade point average. Passing grades that do not reflect a traditional letter grade do not qualify for receiving transfer credit.

Candidates seeking to transfer credits into the University's Legal Studies programs must meet specific departmental requirements for general education and legal specialty credits that are set out in the Legal Studies Department's program description.

Transfer Credit Appeals

Students wishing to appeal a transfer credit decision must complete a Petition form for review by the Department Chair, Dean, and University Registrar.

Advanced Placement (AP) Credit Policy

Students who participate in the Advanced Placement (AP) program may be awarded transfer credit towards a degree based upon the final score on AP examinations. The table below defines the minimum required score, amount of credit awarded, and equivalent course(s) for each AP examination. To receive credit, students must submit their official AP score report from The College Board to the Office of Admissions at Bay Path University.

In the event that the student has already fulfilled the requirements listed in the Bay Path course equivalent(s) column only general elective credit can be applied. In the event that the student has already fulfilled both the requirements listed in the Bay Path course equivalent(s) column and all general elective credits required by their program no credit will be applied.

May change based on previously completed degree requirements by individual student and/or College Board recommended credit award total.

American Council on Education (ACE) Credit Policy

Students may be eligible to receive transfer credit for coursework or experiences that have been reviewed and recommended for credit by the American Council on Education (ACE). Students must provide an official copy of their ACE transcript in order for credit(s) to be considered for transfer.

While the University takes ACE recommendations into strong consideration, the Office of the Registrar in consultation with the Program Director, reserves the right to consider the awarding of transfer credit on a case-by-case basis.

College-Level Examination Program (CLEP) Credit Policy

Students who participate in the College-Level Examination Program (CLEP) may be awarded transfer credit towards a degree based upon the final score on CLEP examinations. The table below defines the minimum required score, amount of credit awarded, and equivalent course(s) for each CLEP examination.

To receive credit prior to matriculation, students must submit their official CLEP score report from The College Board to the Office of Admissions at Bay Path University. Once matriculated, students must complete a CLEP

Pre-Approval Form and submit it to the Registrar's Office before taking the CLEP exam.

In the event that the student has already fulfilled the requirements listed in the Bay Path course equivalent(s) column only general elective credit can be applied. In the event that the student has already fulfilled both the requirements listed in the Bay Path course equivalent(s) column and all general elective credits required by their program no credit will be applied.
