

ELEMENTARY EDUCATION NON-LICENSURE MAJOR

Liberal Studies (Education), B.A.

This program is intended for students whose career plans do not require Massachusetts teacher licensure at the bachelor's level, or who are seeking career paths in education other than public school teaching, and/or are planning on attending a graduate program in education. Students gain knowledge and skills in appropriate pedagogy and content with the opportunity to design a concentration that fits their particular career focus. This program offers many elective credits in order to support the acquisition of various certificates, internships, or other credentials. While students may transfer in some Education courses, EDU 130 Education, Schools, and Culture and EDU 350 Designing and Implementing Math Instruction for Diverse Learners are required to be completed at Bay Path University.

Degree requirements for the Elementary Education Non-Licensure major are as follows:
