

GRADUATION POLICIES & PROCEDURES

Degree Requirements

Students are responsible for knowing and meeting the University's graduation requirements in a specific degree program. To qualify for any degree, the candidate must:

- Complete all requirements (Bay Path Core Curriculum, major, and elective) for the degree program;
- Meet the residency requirement of successfully earning a minimum of 30 credits with Bay Path;
- Achieve Bay Path's minimum cumulative grade point average;
- Complete an ePortfolio showing evidence of curricular and extracurricular learning; and
- Complete the Graduation Application and Graduating Student Survey sent to prospective graduating students during their final academic year.

Conferral of Degrees

Bay Path University confers undergraduate degrees at the conclusion of each subterm. Students who complete their degree requirements in the middle of a subterm will receive a conferral date equivalent to the last day of classes in that subterm.

Certificates pursued concurrently with a degree program will not be awarded until the degree has officially been conferred. Exceptions to this policy must be approved by the Dean of Undergraduate Studies, the University Registrar, and the Office of Academic Affairs.

Student Participation in Commencement Exercises

The Commencement ceremony is our culture's most significant public demonstration of educational achievement. Commencement is a highly ritualistic, stylized event with specified protocols and regalia. Like other rituals in our culture, the ritual of conferring degrees, wearing caps and gowns, listening to speeches and acknowledging academic achievement with diplomas all underscore the importance of what one does in the teaching and learning environment. The celebration of Commencement stands as an important and enduring academic tradition and ceremony, set apart from our day to day activities. Most importantly, Commencement marks the completion and conferral of degrees. Students are permitted to participate in only one processional for a completed degree program.

Bay Path University typically holds their Commencement ceremony each year in May. Students in Associate, Bachelor's, Master's, Specialist in Education, or Doctorate degree programs who received degree conferral during the respective academic year or those on pace to complete their degree requirements by the end of their division's academic year are eligible to participate. For undergraduate students, this means both being enrolled in all outstanding requirements (in Spring Accelerated III) by April 30th and being on pace to complete all outstanding requirements by the final day of the spring semester. Students who are not on pace to complete their degree requirement(s) by the end of the spring semester are not eligible to participate in the current academic year's Commencement ceremony because they are considered a potential graduate in the following academic year. Exceptions to this policy must

be approved by the respective Dean, the University Registrar, and the Office of Academic Affairs.

Eligible students who have not completed their degree requirements at the time of Commencement will receive a blank diploma cover and will appear in the Commencement program with a notation that degree requirements were incomplete at the time of the printing of the program. Latin honors will still be recognized and the student will be provided an honor cord if they have a cumulative grade point average of 3.5 or higher at the time of Commencement.

Graduation Name

Bay Path University allows graduates to provide a preferred first, middle, and last name to be listed in the Commencement program and read aloud as they cross the stage. Graduates provide their graduation name when they complete the Graduation Application. The name of graduates who do not complete the Graduation Application at least two weeks before the date of Commencement will reflect their legal name on file. The institution also reserves the right to deny any desired name deemed inappropriate.

Diplomas and transcripts from the institution will reflect the student's legal name on file. Students who wish to update their legal name on file must complete the Personal Information Update Form on the MyBayPath portal and must upload their social security card matching the legal name being requested.

Latin Honors

Students who have completed all degree requirements whose final cumulative grade point average is 3.50 or above are awarded their degrees with honor according to the following criteria:

- Summa cum Laude: 3.90 to 4.00
- Magna cum Laude: 3.70 to 3.89
- Cum Laude: 3.50 to 3.69

Eligible students will have their Latin honors recognized on any their diploma, in the Commencement program, and they will be given an honor cord to wear if they are participating at Commencement. The Latin honors will also appear on any transcript ordered after their degree is conferred.

Students who opt to participate before all degree requirements are met that have a cumulative grade point average of 3.50 at the time of Commencement will have their Latin honors reflected in the Commencement program and they will be given an honor cord to wear if they are participating at Commencement. Latin honors will only be recognized on their diploma and on any transcript ordered if they meet the minimum cumulative grade point average after their degree is conferred.
